

Challenger Planet

**Jim Cooper Meeting Room
225 Seventh Street**

**Where science
is fun
everyday!**

This class is designed for ages 6-10 years and will challenge students with hands on projects and activities designed to teach them more about energy and science. These classes are designed by a HISD science and math teacher. Join us today!

Two sessions available:

August 5-9, 9am-2pm

August 19-23, 9am-2pm

\$150/week - Resident Discount

\$187.50/week - Non-Resident

\$50 registration fee paid to instructor for supplies.

For more information, please call 281-275-2885.
